BamBi Bucket

THE PROVEN WORLD STANDARD IN AERIAL FIREFIGHTING

Bambi Bucket® – The Weapon of Choice. Launch highly efficient precision attacks against fires by equipping your helicopter with the Bambi Bucket®. This tough, lightweight product delivers a solid column of water or foam – on target, every time. Enhance your Bambi Bucket® with our many innovative accessories for the ultimate aerial firefighting weapon.

Count on the Bambi Bucket’s legendary quality. It’s been trusted by 1000 helicopter operators in dozens of countries worldwide, for more than a quarter-century. The Bambi Bucket® reinvented aerial firefighting for helicopters!

TOP FEATURES

- Provides highly cost-effective water delivery.
- Compact, lightweight and portable.
- Constructed of our unique Bambi Bucket® fabric for maximum durability and strength.

The Bambi Bucket® is available in a range of capacities from 72 USG (270 L) to 2600 USG (9840 L).
